OUTPUT

Resume

Name: Anvitha S

Email:anvitha.s@example.com

Phone: 9865689565

Objective

To pursue a challenging career in the IT field where I can apply my technical knowledge, develop my skills, gain practical experience, and contribute to the growth of the organization while continuously learning new technologies.

Qualifications

Sl No	College	Course	Marks	YOP
1	Alliance College	B.Tech	85%	2020
2	XYZ University	M.Tech	90%	2022
3	DEF Institute	PhD	95%	2024

Skills

- HTML
- CSS
- JavaScript
- Python

Projects

TruthLens: An ensemble-based fake news detection system using NLP and Machine Learning. The project focuses on detecting fake news using text analysis and machine learning techniques such as TF-IDF and Logistic Regression. It also explores multimodal analysis involving text and images to improve fake news detection.

Certifications

Completed academic and technical learning in HTML, CSS, JavaScript, Python, Machine Learning, Natural Language Processing, and Web Development through coursework and project-based learning.

Work Experience

Completed a one-month internship as a Web Developer at CLICS,where I worked on front-end web development andcreated user interface designs using AI-assisted development tools. I gained practical experience in designing responsive web pages and working with HTML, CSS, and modern web development tools.

Date: 21-08-2025

Company: CLICS

Position: Web Developer

Period: 01-12-2025 to 31-03-2026

Place: Bengaluru

CONCLUSION

Overall, this resume provides a brief overview of my academic qualifications,

technical abilities, projects, and practical experience. It reflects my interest in

the IT field and my willingness to continuously learn and improve my technical

skills. The resume is structured using HTML and CSS to create a clean, organized,
and professional presentation of my information.
